

SCAA Student Gallery Show Letter of Intent

I, _____, would like to be considered for the SCAA 2021 Student Gallery Show September 30 – October 12, 2021.

I do/do not (circle one) need art supplies. SCAA will supply some for those who don't have access to art supplies.

I understand I will need to complete my artwork(s) and fill out the entry application form on santaclaritaartists.org website by September 1, 2021. Photos of artwork will be required as well. Please note this is at the beginning of the fall semester.

I understand a commission of 15% from any sale of my work in this show will go to SCAA Gallery. This is standard practice when being represented by a gallery.

Acceptable artworks include original drawings, paintings, and sculpture.
Ineligible work includes crafts such as from kits, or paint by numbers.

Signed,
